Reminder:

NIH Public Access Policy

- PMC reference numbers (PMCID) or (NIHMSID) are required for papers referenced in a progress report that fall under the public access policy.

- Using My NCBI to report publications guarantees the correct identifier is reported accurately, and the public access compliance status is clearly conveyed.
Reminder:
NOT-OD-13-097

• Beginning on October 18, 2013 a warning will be generated when an RPPR is submitted that lists individuals in a graduate or undergraduate student role with one or more person month who have not established an eRA Commons ID.

• Beginning in October 2014, RPPRs lacking the eRA Commons ID for Graduate and Undergraduate Students will receive an error and the RPPR will not be accepted by the NIH without this information.
Reminder:
